2.2 Do you have additional eligibility requirements for HEATING ASSISTANCE? Yes No

2.3 Check the appropriate boxes below and describe the policies for each.

Do you require an Assets test ? Yes No

Do you have additional/differing eligibility policies for:

Households with high energy burdens ?	<input checked="" type="radio"/> Yes <input type="radio"/> No
Other? Elderly with Medical Equip.	<input checked="" type="radio"/> Yes <input type="radio"/> No

Explanations of policies for each "yes" checked above:

Renters in subsidized housing are not eligible for LIEAP benefits, their energy needs are provided for.

Elderly consumers applying for benefits are processed before other consumers and their designated vendors paid for their benefits. This is done to assure filling of propane tanks before bad weather conditions arrive as many of our elderly live in rural areas of the reservation.

Applications from disabled are processed during the same time frame as elderly and households with young children.

Complete applications from households with young children are processed during the same time frame as elderly and disabled to avoid any disruptions of their services or to fill their propane tanks before any extreme weather arrives.

Complete applications from households with high energy burdens are assisted to avoid any more expenses due to large re-connect fees for many of the households.

Elderly and other households that require medical equipment on a daily basis are processed in a more timely manner if their applications are complete. If necessary, LIEAP staff will assist by picking up applications, help obtain documentation or whatever is requested.

Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

2.4 Describe how you prioritize the provision of heating assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.

All applications are accepted from October 1st on and elderly, disabled and all TANF households are processed before all others. Should any of the above households need assistance to avoid any negative measures, all efforts are made to provide assistance and to advocate for them with the vendors and housing authority.
