- providing '*proof of income*' or '*proof of no income*' FOR ALL MEMBERS OF THE HOUSEHOLD OVER THE AGE OF (18) YEARS.

Also, where utility costs (both heating & cooling) are combined with other portions of the utility bill- such as for sewer, water, trash (i.e.- the City of Anadarko, City of Walters, etc.) ONLY THE UTILITY PORTION OF THE BILL WILL BE PAID. 4.10 Do you accept applications for energy crisis assistance at sites that are geographically accessible to all households in the area to be served?

Submit applications for crisis benefits without leaving their homes?	
<input type="radio"/> Yes <input checked="" type="radio"/> No If No, explain.

If you answered "No" to both options in question 4.11, please explain alternative means of intake to those who are homebound or physically disabled?	
Disabled or homebound individuals still require submission of the LIHEAP application with all required documentation. Generally these individuals have someone that can mail, fax, or bring the application to our office. In very rare instances have we had to go to someones house and take them an application or pick one up for them, but we have done this on several occasions. If the individual will call or contact us then we can make arrangements to complete a LIHEAP application. Our program also provides adult/child protective services for tribal members that may reside on trust lands. If we do an investigation and determine that the household needs utility assistance we will assist in completing the application for them.	
Benefit Levels, 2605(c)(1)(B)

4.16 Do any of the utility vendors you work with enforce a moratorium on shut offs?

Yes No

If you responded "Yes" to question 4.16, you must respond to question 4.17.

4.17 Describe the terms of the moratorium and any special dispensation received by LIHEAP clients during or after the moratorium period.

Yes, currently all our utility vendors have a moratorium or suspension of services. Generally, whenever a utility company is going to disconnect an individual for non-payment, they are sent a disconnect notice. At this point, under our Crisis component- we will assist the individual if they have a completed LIHEAP application submitted and have not received LIHEAP from any other entity in the past fiscal year. Once it is determined that they have not received utility assistance from any other entity in the past fiscal year and their application is completed- the we can submit a 'Promise to Pay' memo directly to the utility company. Most utility companies will not disconnect the household and will honor the 'Promise to Pay' memo and keep the service on. However, if a household is already disconnected then that utility company may not turn their service back on until the bill is paid in full. If the bill is over the combined crisis and heating assistance amounts(\$500.00) then the applicant is responsible to pay any remaining balance due to the utility company before service will be resumed.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

12.3 Describe any policy and/or procedural changes made in the last Federal fiscal year as a result of fair hearings?

none

12.4 Describe your fair hearing procedures for households whose applications are denied.

On the Kiowa Tribes LIHEAP application, page 4 of 5, there is an 'Appeal' section, in addition to a 'Fraud & Compliance' section. Each applicant MUST sign these sections stating that they have read and understand it. An application is not considered complete until these sections are signed by the LIHEAP applicant. The following is the text for the 'Appeals Notice' found on the Tribes LIHEAP application -

I understand that the Kiowa Tribe LIHEAP program may choose to deny my application based on the discovery of fraudulent information either disclosed or not reported in my original application. Should this occur, I understand that I may be denied LIHEAP assistance for a period of (1) year. If I choose to appeal this decision, a meeting will be held before an independent panel. If it is determined that the evidence presented determined fraudulent reporting, I will then be ineligible for a (3) year period. A formal notice of this outcome will then be mailed to the LIHEAP provider in my county of residence who may also choose to deny me any future LIHEAP services, at their discretion. Our federal funding agency may also, at their discretion, choose to prosecute you under any applicable federal laws, to include fines and/or imprisonment.

Any appeal regarding a final decision made in regards to your LIHEAP application shall be made in writing to the LIHEAP Program Director within (5) business working days after notification of your ineligibility. Appeals should be made to: Kiowa Tribe of OK - ATTN: LIHEAP Director - PO Box 1073 - Carnegie, OK 73015. Upon receipt of the appeal, a formal meeting shall be scheduled within (7) business working days to review the application decision before an independent panel. Should the panel rule that the applicant information was clearly fraudulent, the applicant will be denied LIHEAP assistance for a (3) year period. **NO LATE DOCUMENTATION WILL BE ACCEPTED AFTER AN APPEAL DATE HAS BEEN SET.** All decisions made by the program director and the review panel shall be final. * **Signed by Applicant & Dated**

12.5 When and how are applicants informed of these rights?

On the Kiowa Tribes LIHEAP application, page 4 of 5, there is an 'Appeal' section. Each applicant must read and sign below this particular section before their application is considered complete. By doing so, the applicant states that have read and understand that section as it applies to their LIHEAP application.

12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

Currently there is no 'fair hearing procedure' in place. We try to complete each application in a timely manner and generally most can be approved the same day, that is of course if the applicant has submitted all the required documentation. We try to work with the applicant however to encourage them to get any required documentation turned in ASAP. If the applicant is not told verbally at the time of receipt of their application a formal letter is mailed to them listing what documentation needs to be provided and the time frame to do this in. After a set date has been given for documentation to be provided, a cut-off date is given and the application is denied and the applicant must then again submit their application.

12.7 When and how are applicants informed of these rights?

Both the 'Appeals' notice and the 'Fraud & Compliance' notice are listed on page 4 of our LIHEAP application. Every applicant must sign below each notice stating that they have read and understand the requirements. Any outside literature also states the requirements for LIHEAP assistance.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

13.2 How do you ensure that you don't use more than 5% of your LIHEAP funds for these activities?

The program director who created the budget knows the exact dollar amount available for the purchase of promotional materials. Most times free literature is obtained as needed or created in a brief LIHEAP informational sheet distributed at tribal events such as health & safety fairs or other outside activities that the Administration program has been invited to participate in, to include the annual Kiowa Indian Council (KIC) meeting open to all tribal members.

13.3 Describe the impact of such activities on the number of households served in the previous Federal fiscal year.

No significant increase or decrease of households served has been noted and we generally expend all our funds before the beginning of each fiscal year.

About the same although the actual dollar amount per household has decreased some due to congressional cuts to LIHEAP funding.
