RE: Tribal Household Count

Dear Ms. Frazier:

I would like to request a letter from your office stating the total number of Poarch Creek Indian households eligible for services through the Low Income Home Energy Assistance Program (LIHEAP) in the State of Florida. According to our Data Systems Manager, our Tribe can serve 309 Tribal member households within our Florida service area.

If you agree with this number, please forward a letter of agreement to the attention of Janet Fox at the address below. We would also appreciate having a copy for our records as well.
