Dear Kathryn Green,

The State of Arizona hereby submits a revised list of eligible Low Income Home Energy Assistance Program (LIHEAP) tribal households for the following tribes:

	Current	**New**
Cocopah Tribe	228	331
Colorado River Indian Tribes	680	1,762
Gila River Indian Community	2,301	1,895
The Navajo Nation	19,524	29,326
Pascua Yaqui Tribe	879	512
Quechan Indian Tribe	50	0*
Salt River Pima-Maricopa Indian Community	849	1,290
San Carlos Apache Tribe	1,400	1,631
White Mountain Apache Tribe	2,000	2,274
Total Contracting Directly with Federal Office	28,402	39,021

The Hualapai Tribe, Fort Mohave Tribe, Hopi Tribe, and the Kaibab Paiute Tribe no longer receive LIHEAP funding directly from OCS, and members are now served by the Arizona State LIHEAP Office.

The Tohono O'odham Nation continues to contract directly with the Arizona State LIHEAP Offices and receives its LIHEAP allocation through a contract with the Arizona Department of Economic Security (ADES). No census data is available for the Quechan Indian Tribe.

We request that these changes be applied to the FFY26 LIHEAP grant cycle. Additionally, the State office is working to get an individual Memorandum of Understanding ("MOU") signed by each Nation, and we will share these as they are finalized.

If you have any questions regarding this matter, please contact Tamanna Islam, LIHEAP Program Coordinator, at tislam@azdes.gov.
