**Personalized Assistance for Complex Cases** Some clients may have unique or complicated situations—such as mixed income sources, recent changes in employment, or housing instability—that require tailored guidance. In-person meetings enable caseworkers to provide individualized support and ensure accurate application processing.

**Digital Access and Literacy Support** Many clients may lack reliable internet access or struggle with online systems. In-person appointments offer a way to bridge the digital divide by helping clients complete applications, upload documents, or access online accounts with staff assistance.

**Immediate Resolution of Issues** Face-to-face interactions allow for real-time problem-solving. If a document is missing or unclear, staff can address it immediately, reducing delays and improving service efficiency.

**Building Trust and Cultural Connection** For Tribal communities, in-person engagement fosters trust, respect, and cultural understanding. It reinforces the Tribe's commitment to serving its members with dignity and care, especially for elders or those unfamiliar with bureaucratic processes.

Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

2.4 Describe how you prioritize the provision of heating assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.

Elders and individuals with disabilities are given priority through an early application period, with applications accepted from October

1<sup>st</sup>-31<sup>st</sup>, 2025 by mail or in-person appointments at the Tribal Administration office.

From October through February, intake appointments are offered twice per month at both satellite offices in Klamath Falls and Beatty, Oregon. Appointment scheduling is coordinated with the Tribes' Public Transit service to ensure accessibility.

The State of Oregon's OPUS System is used to process applications, determine household eligibility, and calculate benefit amounts. Additional priority is given to clients with larger households, lower income, and higher energy burdens. Households facing disconnection or shutoff notices are prioritized with a response time of 18–48 hours. Funds allocated under Section 2, "Heating Assistance," are used exclusively for direct energy payments to vendors.

In cases where firewood is the primary heat source, direct payments may be made to clients, provided they submit proof of firewood procurement in the form of a receipt. These receipts must be received within 90 days of the household accepting the check.

Households experiencing a crisis may be eligible for additional services depending on their specific circumstances and needs. Immediate response by a caseworker is essential and may include calling in a pledge to prevent utility disconnection, coordinating with other departments or agencies for emergency assistance, and providing in-kind items such as blankets, space heaters, or other emergency supplies. During intake, clients may also receive energy-related items such as blankets, energy-saving light bulbs, space heaters, and weather stripping while supplies last. These resources are intended to offer immediate relief and support household safety and energy efficiency during critical times.

3.4 Describe how you prioritize the provision of cooling assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.

Assistance is given on a "first complete, first serve" basis. The Cooling Program will be considered a new program and applicants will be required to fill out the Cooling Program application and provide proof of income and current electric bill. Vulnerable populations or those in a

cooling crisis will be given immediate priority for appointments. Case worker will use current existing LIHEAP file information such as Tribal ID, SSD Cards, etc. to help move the application along through the process. The Caseworker will call and pledge amounts to the electric company. Benefit amounts will be based on 60% State Median income guidelines which is the same for Heating assistance, Crisis and Weatherization. Cooling Assistance prioritizes assistance for: (1) Households who did not receive a "Heating Assistance" during current federal fiscal year, and (2) Households who did not receive a "Crisis Assistance" during current federal fiscal year.

Cooling Assistance will provide direct energy payments to electric utility providers. In addition to financial support, in-kind assistance may include portable air conditioners or evaporative coolers, depending on household needs and availability. Benefit amounts are determined using the FY2025 Benefit Matrix under the "Cooling" column. In rare cases where a household relies on a generator to power lights and cooling equipment, fuel or propane payments may be approved on a case-by-case basis. In such instances, the Caseworker and Program Director will coordinate with the OPUS program to ensure appropriate vendors and payment types are added to the system.

### LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN

#### Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

##### 9.1 Do you make payments directly to home energy suppliers?

Heating ☒ Yes ☐ No

Cooling ☒ Yes ☐ No

Crisis ☒ Yes ☐ No

Are there exceptions? ☒ Yes ☐ No

##### If yes, Describe.

Energy payments are generally always paid directly to a home energy supplier or other vendor. Whenever possible, payments will identify the client's name and account number. For some vendors such as Crater Lake Junction Travel Center (for propane), Diamond Home Improvement (for pellets), or AmeriGas (for bulk propane) the payment is under a general account for the Klamath Tribes.

For Households who use firewood for their primary or secondary heating source, the "Direct Pay" option is allowable. Check is made payable to the client to be consistent with the number of cords of firewood to be purchased. The client is responsible for procuring the firewood and submitting proof of payment within 60 days of check acceptance.

##### 9.2 How do you notify the client of the amount of assistance paid?

All clients are provided a Notice of Action Form copy either via postal mail or e-mail. The form details the assistance amount and an authorization number. If the client misplaces the authorization form, a copy can be mailed, e-mail or faxed to them.

Copies of all forms are filed in the client's household file. Please see the attachments for document templates.

The OPUS system also keeps a copy on file for current and past years

##### 9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

At the beginning of the LIHEAP year, and the Tribes makes its best effort to enter into contracts with energy suppliers. Contracts contain legal clauses as to discrimination, charging in the normal billing process, and differences in actual cost and the amount of the LIHEAP payment. The Energy Assistance Coordinator is in contact with energy suppliers to determine the appropriate amount to be billed and paid on the client's behalf.

##### 9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

At the beginning of the LIHEAP year, the Tribes makes its best effort to enter into the contract with energy suppliers. Contracts contain legal clauses as to discrimination, charging in the normal billing process, and differences in the actual cost and the amount of the LIHEAP payment.

All client information is confidential and kept in locked file cabinets and offices. Discussions of client information are between the Department Director and Coordinator. Intake appointments are done in a closed-door-setting between Coordinator and the client, but if a situation occurs where there has to be a third party in the appointment, the Director or Administrative Assistance will sit in to observe. Scheduling of appointments is conducted by the Program Support Specialist or Administrative Assistance. Client appointment book only accessible to the Administrative Assistance and Energy Assistance Coordinator.

##### 9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

☒ Yes ☐ No

**If so, describe the measures unregulated vendors may take.**

**Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions**

**Instructions for Certification**

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

**Section 19: Certification Regarding Drug-Free Workplace Requirements**

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

**Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)**

1. By signing and/or submitting this application or grant agreement, the Grant recipient is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the Grant recipient knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For Grant recipients other than individuals, Alternate I applies.
4. For Grant recipients who are individuals, Alternate II applies.
5. Workplaces under grants, for Grant recipients other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the Grant recipient does not identify the workplaces at the time of application, or upon award, if there is no application, the Grant recipient must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the Grant recipients drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the Grant recipient shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grant recipients attention is called, in particular, to the following definitions from these rules:

***Criminal drug statute*** means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

***Employee*** means the employee of a Grant recipient directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the Grant recipients payroll. This definition does not include workers not on the payroll of the Grant recipient (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the Grant recipients payroll; or employees of subrecipients or subcontractors in covered workplaces).

central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted - (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
