1.4 Do you consider households categorically eligible if at least one household member receives at least one of the following categories of benefits in the left column below? ☒ Yes ☐ No

If you answered "Yes" to question 1.4, you must complete the table below and answer questions 1.5 and 1.6.

1.4a. Provide your definition of categorical eligibility. Please explain how households are categorically eligible (i.e, do all household members need to receive the benefits or just one member, is there a data exchange in place?) and how categorical eligibility streamlines the LIHEAP application process.

Categorical eligibility refers to income eligibility only. Families must be at or below the 150% Federal Poverty Level (FPL). Net income will be used to determine eligibility.

1.5 Do you automatically enroll households without a direct annual application? ☐ Yes ☒ No

The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions.
