The distinction is made regarding applicant's categorical or non-categorical status. Receipt of other benefits are considered in determining eligibility for LIHEAP benefits. Benefits for crisis payments are based solely on the above listed criteria plus the presence of an immediate need for home heating and the lack of resources to meet the existing need. **Explanations of policies for each "yes" checked above:**

Assistance groups that have utilities included in the rent, but are not billed separately for heating costs must be evaluated for LIHEAP eligibility. If a client applies for LIHEAP and indicates that their utilities are included in their rent, the worker will request verification of those said utilities. This can be done via phone call, rent receipt, lease or contract. We also want to give priority to households that have someone in the household that is elderly, disabled, or there is a young child in the home that is age 5 or younger as these are the most vulnerable to the cooler temperatures in the winter and the hotter temperatures in the summer. We also want to give priority to those that have higher energy burdens as they may not have the extra money to pay for the higher heating bills.

Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

**2.4 Describe how you prioritize the provision of heating assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.**

Those that received LIHEAP last year that have someone that is aged, disabled or a child in the home age 5 or under will be sent an application at an earlier time than those that did not receive LIHEAP benefits last year. They will also have a longer time to turn these applications in for assistance.

**2.5 Check the variables you use to determine your benefit levels. (Check all that apply):**

- Income
- Family (household) size
- Home energy cost or need:
  - Fuel type
  - Climate/region
  - Individual bill

**Explanations of policies for each "yes" checked above:**

Those clients that have someone that is aged, disabled or a child age 5 or younger in the household will be given priority to apply before the application period is open to everyone. If a client reports that the utility that they use for cooling is included in their rent they must provide verification that they are vulnerable and are responsible for paying this cost.

### LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

#### Section 4: CRISIS ASSISTANCE

Eligibility - 2604(c), 2605(c)(1)(A)

**4.1 Designate the income eligibility threshold used for the crisis component**

Add	Household size	Eligibility Guideline	Eligibility Threshold
1	All Household Sizes	HHS Poverty Guidelines	150.00%

**4.2 Provide your LIHEAP program's definition for determining a crisis.**

The definition of crisis is being without home heating or being in danger of not having home heat and not having the resources to resolve the crisis on your own, such as no money for the utility bill or no money for the repair or replacement of the main heating source. A disconnect notice is required to verify the crisis, if the threat is loss of the utility. If the heating unit is no longer functioning or is considered unsafe heat, the client can be evaluated for the Emergency Repair or Replacement Program.

**4.3 What constitutes a life-threatening crisis?**

A life-threatening crisis would be being without home heating or being in danger of not having home heat and also having an illness or condition that will be affected by no heat or no cooling. The client would also have no way to resolve the crisis, ie. no money for the bill or to pay for repair/replacement of a malfunctioning heating/cooling unit. A disconnect notice is required to verify that the utility is in danger of being terminated. If the heating unit is no longer functioning the client can be evaluated for the emergency repair or replacement program. The life-threatening crisis would need to be documented in the case.

**Crisis Requirement, 2604(c)**

**4.4 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households? 24Hours**

**4.5 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households in life-threatening situations? 18Hours**

Crisis Eligibility, 2605(c)(1)(A)

**4.6 Do you have additional eligibility requirements for CRISIS ASSISTANCE?**  Yes  No

**4.7 Check the appropriate boxes below and describe the policies for each**

**Do you require an Assets test ?**  Yes  No

**Do you give priority in eligibility to :**

<b>Renters living in subsidized housing?</b>	<input type="radio"/> Yes <input checked="" type="radio"/> No
<b>Renters with utilities included in the rent?</b>	<input checked="" type="radio"/> Yes <input type="radio"/> No
<b>Explanations of policies for each "yes" checked above:</b>	
<p>The client must have a termination notice to be eligible for crisis assistance. The client must verify the lack of resources to eliminate the crisis. Lack of resources can be verified by the client verifying their income, which would show that they do not have sufficient income to eliminate the termination on their own. If the client reports no income then the client must fill out a zero income form. For the Emergency Repair and Replacement portion of the crisis assistance, the client would have to meet the income guidelines and also have a non-working or unsafe heating source to be eligible or have no heating source available at all. For the repair or replacement of the air conditioner units the client would have to be income eligible, have a non-working or improperly functioning unit and have someone in the household that is age 60 or over, or someone that is disabled, or a child in the home that is age 5 or under. We can accept a doctor's statement to verify the medical condition for the cooling repair or replacement assistance, if the client is not considered disabled by the Social Security Administration.</p>

<b>4.9 If you have a separate component, how do you determine crisis assistance benefits?</b>	
<input checked="" type="checkbox"/>	<b>Amount to resolve the crisis.</b>
<input checked="" type="checkbox"/>	<b>Other - Describe:</b> For the Emergency Repair and Replacement program we can pay up to \$5,000 for the repair or replacement of heating or cooling units. <input checked="" type="radio"/> Yes <input type="radio"/> No <b>Explain.</b>	
<p>Clients who require crisis assistance must be interviewed in a local DHHR office. There are 54 county offices to accommodate this need. <b>4.11 Do you provide individuals who are physically disabled the means to:</b>

1	All Household Sizes	HHS Poverty Guidelines	200.00%

**5.2 Do you enter into an interagency agreement to have another government agency administer a WEATHERIZATION component?**  Yes  No

**5.3 If yes, name the agency.** West Virginia Development Office

**5.4 Is there a separate monitoring protocol for weatherization?**  Yes  No

**WEATHERIZATION - Types of Rules**

**5.5 Under what rules do you administer LIHEAP weatherization? (Check only one.)**

- Entirely under LIHEAP (not DOE) rules
- Entirely under DOE WAP (not LIHEAP) rules
- Mostly under LIHEAP rules with the following DOE WAP rule(s) where LIHEAP and WAP rules differ (Check all that apply):
  - Income Threshold
  - Weatherization of entire multi-family housing structure is permitted if at least 66% of units (50% in 2- & 4-unit buildings) are eligible units or will become eligible within 180 days
  - Weatherize shelters temporarily housing primarily low income persons (excluding nursing homes, prisons, and similar institutional care facilities).

**Other - Describe:**

The LIHEAP rules will be used for the electrical upgrades, home repair and Emergency Crisis Intervention Program (ECIP).

**Mostly under DOE WAP rules, with the following LIHEAP rule(s) where LIHEAP and WAP rules differ (Check all that apply.)**

**Eligibility, 2605(b)(5) - Assurance 5**

**5.6 Do you require an assets test?**  Yes  No

**5.7 Do you have additional/differing eligibility policies for :**

Young Children?	<input checked="" type="radio"/> Yes <input type="radio"/> No
House holds with high energy burdens?	<input checked="" type="radio"/> Yes <input type="radio"/> No
Other?	<input type="radio"/> Yes <input checked="" type="radio"/> No

If you selected "Yes" for any of the options in questions 5.6, 5.7, or 5.8, you must provide further explanation of these policies in the text field below.

If a client applies for LIHEAP and indicates that their utilities are included in with their rent, the worker must request verification of those said utilities. This can be done by phone call, rent receipt, lease agreement or written statement from the landlord.

Vulnerable members are prioritized by heating terminations, age, disability, and documented health issues. We have smaller grants with Community Action Agencies (CAAs). These CAAs go out into our more rural areas and help our vulnerable population complete the applications. The CAAs will then either mail or deliver the applications to the West Virginia Development Office. The Weatherization Program that is administered through the West Virginia Development Office has a points system that gives a higher weight to those who are aged and or disabled or have a child in the home that is age 5 or under. This alone does not determine eligibility, but does weight the application.

**Benefit Levels**

5.9 Do you have a maximum LIHEAP weatherization benefit/expenditure per household?  Yes  No

5.10 If yes, what is the maximum? \$7,105

**Section 8: Agency Designation, 2605(b)(6) - Assurance 6 (Required for state grantees and the Commonwealth of Puerto Rico)**

**8.1 How would you categorize the primary responsibility of your State agency?**

<input checked="" type="checkbox"/>	Administration Agency
<input type="checkbox"/>	Commerce Agency
<input checked="" type="checkbox"/>	Community Services Agency
<input checked="" type="checkbox"/>	Energy / Environment Agency
<input type="checkbox"/>	Housing Agency
<input checked="" type="checkbox"/>	Welfare Agency
<input type="checkbox"/>	Other - Describe:

**Alternate Outreach and Intake, 2605(b)(15) - Assurance 15**

If you selected "Welfare Agency" in question 8.1, you must complete questions 8.2, 8.3, and 8.4, as applicable.

**8.2 How do you provide alternate outreach and intake for HEATING ASSISTANCE?**

LIHEAP has a separate intake process, which is completed mostly by mail. Outreach is accomplished by mailing an application packet. The application form may be mailed to the local DHHR office or taken to a Community Action or Area Agency on Aging office or Center for Assistance. Community Action and Area Agency on Aging volunteers make home visits to reach those clients who are disabled and/or homebound.

**8.3 How do you provide alternate outreach and intake for COOLING ASSISTANCE?**

West Virginia will implement Cooling Assistance with any remaining funds. If we do Cooling Assistance it will have the same outreach as Heating Assistance. This would be sending out application packets to clients. The application form may be mailed to the local DHHR office or taken to a Community Action or Area Agency on Aging office or Center for Assistance. Community Action and Area Agency on Aging volunteers make home visits to reach those clients who are disabled and/or homebound.

**8.4 How do you provide alternate outreach and intake for CRISIS ASSISTANCE?**

PSC regulated energy providers use billing notice inserts to let customers know when LIHEAP crisis funds are available and refer them to DHHR. Community Action and Area Agency on Aging personnel make referrals to DHHR when clients request help on heating bills and/or Weatherization.

**If any of your LIHEAP components are not centrally-administered by a state agency, you must complete questions 8.6, 8.7, 8.8, and, if applicable, 8.9.**

**8.6 What is your process for selecting local administering agencies?**

We have 55 counties in the State of West Virginia. There are 54 local county offices that administer the LIHEAP program. They are part of the West Virginia Department of Health and Human Resources.

**8.7 How many local administering agencies do you use? 54**

**8.8 Have you changed any local administering agencies in the last year?**

## Section 9 - Energy Suppliers,, 2605(b)(7) - Assurance 7

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES  
ADMINISTRATION FOR CHILDREN AND FAMILIES

August 1987, revised 05/92,02/95,03/96,12/98,11/01  
OMB Clearance No.: 0970-0075  
Expiration Date: 09/30/2020

### LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

#### Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

##### 9.1 Do you make payments directly to home energy suppliers?

Heating  Yes  No

Cooling  Yes  No

Crisis  Yes  No

Are there exceptions?  Yes  No

##### If yes, Describe.

Some of the home energy suppliers are vendors in our eligibility system. These are Public Service Commission (PSC) regulated vendors. If the vendor is set up in our eligibility system we can pay them directly instead of sending a payment to the client. If the fuel vendor is not PSC regulated, we pay the client directly. These are typically wood, coal, propane and kerosene vendors.

##### 9.2 How do you notify the client of the amount of assistance paid?

If a client is found eligible for energy assistance they will receive an approval letter that tells them the amount that they have been approved for and the method of disbursement. For the heating payment the client should receive notice no later than 30 days after we have received the application. If this is a crisis payment, the application is processed the day that the client comes in to apply and the client is informed during the application process.

##### 9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

The vendor agreement contains the following statement: Households that receive LIHEAP in the normal billing process will be charged no more than the difference between the cost of the home energy used and the payment that is provided by the DHHR.

##### 9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

The vendors just accept the LIHEAP payments as they would any other payment. The clients are not coded differently in the vendor systems for receiving LIHEAP. Our eligibility system creates a payment file, and if refunds are necessary vendors return LIHEAP funds back to the State Auditor's Office. Vendors have a direct line of communication with the Auditor's Office to resolve any issues. The vendors have been trained how to handle any funds that need to be returned. Our vendor agreement also states, no household that is receiving LIHEAP will be treated adversely because they are receiving assistance from the DHHR.

##### 9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes  No

##### If so, describe the measures unregulated vendors may take.

Direct payments are made to clients who use bulk fuel unless crisis funds are involved. In a crisis situation, vendor payment is preferred unless the client must self-deliver in partial amounts and no vendor is willing to set up a "credit" account.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

**Section 10 - Program, Fiscal Monitoring, and Audit, 2605(b)(10) - Assurance 10**

**LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP)  
MODEL PLAN  
SF - 424 - MANDATORY**

**Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)**

**10.1. How do you ensure good fiscal accounting and tracking of LIHEAP funds?**

Federal funds awarded to West Virginia are committed and identified in the WV (Our Advanced Solution with Integrated Systems) OASIS. LIHEAP customer payments are also entered into OASIS and daily payments are tracked and monitored to determine that expenditures do not exceed the amounts that are awarded. The state's Recipient Automated Payment and Information Data System (RAPIDS) is the benefits issuance processing program that workers access to determine customer eligibility for LIHEAP. The system provides individual approvals and daily batch approvals which allow for dual controls. Benefits are approved in RAPIDS and can be sent to OASIS for payments to utility companies, bulk fuel vendors and to clients.

Weatherization funds are not transferred to other state agencies. The West Virginia Development Office runs the Weatherization program for West Virginia. They are allotted 15% of the total grant funds.

The WV DHHR Finance department tracks all funding spent for this grant. This includes refunds, weatherizations, administration, heating assistance, crisis and carryover.

**Audit Process**

**10.2. Is your LIHEAP program audited annually under the Single Audit Act and OMB Circular A - 133?**

Yes  No

**10.3. Describe any audit findings rising to the level of material weakness or reportable condition cited in the A-133 audits, Grantee monitoring assessments, inspector general reviews, or other government agency reviews of the LIHEAP agency from the most recently audited fiscal year.**

No Findings

Finding	Type	Brief Summary	Resolved?	Action Taken
1	other	For the FY2017 Statewide Single Audit there were findings for the LIHEAP program. We recently went to an On Base scanning system to eliminate the storage of paper files. Unfortunately in some cases the LIHEAP applications were not completely uploaded. There was a supplemental page to the application that was missed, resulting in a finding. The corrective action taken was procedural. The local county offices are now required to retain the paper files until after the Statewide Single Audit to ensure that we have the requested documentation.	Yes	procedure/policy changes

**10.4. Audits of Local Administering Agencies**

**What types of annual audit requirements do you have in place for local administering agencies/district offices?

- Local agencies/district offices are required to have an annual audit in compliance with Single Audit Act and OMB Circular A-133
- Local agencies/district offices are required to have an annual audit (other than A-133)
- Local agencies/district offices' A-133 or other independent audits are reviewed by Grantee as part of compliance process.

**Site Visits:**

A sample of the LIHEAP applications are taken from all four regions to make sure that there is not a trend or an issue with the local DHHR offices in the application process.

**Desk Reviews:**

A large sample is pulled for the Statewide Single Audit to ensure that the LIHEAP applications are not all coming from the same local DHHR office and to ensure that all processes and procedures are consistent.

**10.8. How often is each local agency monitored ?**

The monitoring is done once each year.

**10.9. What is the combined error rate for eligibility determinations? OPTIONAL**

**10.10. What is the combined error rate for benefit determinations? OPTIONAL**

**10.11. How many local agencies are currently on corrective action plans for eligibility and/or benefit determination issues? none**

<p><b>LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP)</b>  <b>MODEL PLAN</b>  <b>SF - 424 - MANDATORY</b></p>	

**Section 11: Timely and Meaningful Public Participation, 2605(b)(12), 2605(C)(2)**

**11.1 How did you obtain input from the public in the development of your LIHEAP plan? Select all that apply.**

- Tribal Council meeting(s)
- Public Hearing(s)
- Draft Plan posted to website and available for comment
- Hard copy of plan is available for public view and comment
- Comments from applicants are recorded
- Request for comments on draft Plan is advertised
- Stakeholder consultation meeting(s)
- Comments are solicited during outreach activities
- Other - Describe:

The public hearing for the LIHEAP State Plan took place on September 14th. We also sent the plan out to utility vendors, our Weatherization group and Community Action Agencies for feedback.

**11.2 What changes did you make to your LIHEAP plan as a result of this participation?**

We are going to leave the application period for LIHEAP open longer. We are also going to try and give the utility vendors more of an advanced notice for when LIHEAP will be open for application. We have also adjusted the multiplier for electric to be more weighted so those that heat with electric will receive a higher LIHEAP benefit since the cost of electric has went up.

**Public Hearings, 2605(a)(2) - For States and the Commonwealth of Puerto Rico Only**

**11.3 List the date and location(s) that you held public hearing(s) on the proposed use and distribution of your LIHEAP funds?**

	Date	Event Description
1	09/14/2018	LIHEAP Public Hearing- 350 Capitol St. Charleston, WV 25301

**11.4. How many parties commented on your plan at the hearing(s)? 2**

**11.5 Summarize the comments you received at the hearing(s).**

The LIHEAP Public Hearing was held on September 14, 2018. There were Community Action Agencies and Utility companies in attendance. The only request that we received was that we give the utility companies more advanced notice when the LIHEAP program will open so they can put a flier in their utility bills that go out to the clients. In response to this request we will try to establish a intake time period in advance of when it will actually take place so we can give utility companies and Community Action Agencies more time to notify clients.

There was also a request as to the weight that the cost of utilities had on the LIHEAP payment for clients. After researching this it has been determined the electricity has went up in price. We have increased the multiplier for clients who heat with electricity so they will receive a higher benefit.

**11.6 What changes did you make to your LIHEAP plan as a result of the comments received at the public hearing(s)?**

We are going to leave the application period for LIHEAP open longer. We are also going to try and give the utility vendors more of an advanced notice for when LIHEAP will be open for application. We have also adjusted the multiplier for electric to be more weighted so those that heat with electric will receive a bigger LIHEAP payment.

#### Section 12: Fair Hearings, 2605(b)(13) - Assurance 13

**12.1 How many fair hearings did the grantee have in the prior Federal fiscal year?** 0

**12.2 How many of those fair hearings resulted in the initial decision being reversed?** 0

**12.3 Describe any policy and/or procedural changes made in the last Federal fiscal year as a result of fair hearings?**

We have not had any fair hearings for this fiscal year for LIHEAP.

**12.4 Describe your fair hearing procedures for households whose applications are denied.**

Applicants who indicate that they want a fair hearing receive a form on which they must indicate whether they want a pre-hearing conference, fair hearing, or both. Requests must be made within 60 days of the date of the denial, and the Hearings Officer must render a decision within 60 days from the date of the hearing. In most cases, the issue is resolved in a pre-hearing conference. The applicant is informed of his or her rights to a fair hearing at the time of application and when he or she is notified of the decision made on the application. There is a notice at each agency that informs applicants of their right to a fair hearing. Any Weatherization Fair Hearing requests would be handled by the sub-grantee that administers our Weatherization program.

**12.5 When and how are applicants informed of these rights?**

The applicant is informed of his or her right to a fair hearing at the time of application and when he or she is notified of the decision made on the application. There is a notice at each agency that informs applicants of their right to a fair hearing. Any Weatherization Fair Hearing requests would be handled by the sub-grantee that administers our Weatherization program.

**12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.**

Applications for LIHEAP benefits are required to be processed within 30 days from the date that the application is received by the DHHR. Clients may request a fair hearing when the application is not processed timely. As with denials, a pre-hearing conference usually resolves these issues. Weatherization applicants are informed that there is a very long waiting list for assistance and it may take 2-3 years for Weatherization services to be performed. Rejected applicants must be notified within 10 days and given the reason for the rejection. Approved applicants are kept informed as to their status on the waiting list and the approximate date of completion.

**12.7 When and how are applicants informed of these rights?**

The applicant is informed of his or her right to a fair hearing at the time of application. There is also a notice posted in each of our 54 county DHHR offices. In addition, there is also a notice of the right to a fair hearing provided when the decision is made on the application.

#### Section 13: Reduction of home energy needs, 2605(b)(16) - Assurance 16

**13.1 Describe how you use LIHEAP funds to provide services that encourage and enable households to reduce their home energy needs and thereby the need for energy assistance?**

We plan to provide energy kits for applicants through our Community Action Agencies when clients apply for the Emergency Repair and Replacement program or for the Weatherization program. We will have the Community Action Agencies track which clients receive an energy kit so we can possibly provide them with a survey to get the results of how their energy use has changed since using the kit.

**13.2 How do you ensure that you don't use more than 5% of your LIHEAP funds for these activities?**

We will not use more than 5% on these activities. Our finance department will assist in monitoring specific line items in our budget. This line item in our budget only has up to 5% of our LIHEAP funds allocated for Assurance 16.

**13.3 Describe the impact of such activities on the number of households served in the previous Federal fiscal year.**

We have done other items in the past, but not a home energy kit. So we have no data to compare this to.

**13.4 Describe the level of direct benefits provided to those households in the previous Federal fiscal year.**

We have not previously provided a home energy kit. We have no data to compare this to for the home energy kits. In prior years WV provided blanket kits with energy saving tips. 1,000 homes applied for and received blanket kits.

**13.5 How many households applied for these services?** 1000

**13.6 How many households received these services?** 1000

West Virginia will collect and report on LIHEAP performance measures data to ensure that we are targeting and serving and providing bill payment assistance to households with the highest energy burden. We will concentrate on restoration and prevention of loss, energy source, energy burden, income and imminent risk of running out of fuel. West Virginia has defined "Imminent Risk" as being without, disconnected, or within 3 days of being without heat. Our eligibility system currently collects annual household income, annual LIHEAP benefit, main fuel type and if the client has to pay for electric. We are also working with the major PSC regulated utility vendors to capture annual energy usage (if applicable), prevention of loss and restoration of service.

### Section 19: Certification Regarding Drug-Free Workplace Requirements

**This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.**

#### **Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)**

- 1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.**
- 2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. - 3. For grantees other than individuals, Alternate I applies.**
- 4. For grantees who are individuals, Alternate II applies.**

If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.**
- 6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).**
- 7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously**

identified the workplaces in question (see paragraph five).

***Controlled substance*** means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

***Conviction*** means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

***Criminal drug statute*** means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

***Employee*** means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

#### Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)
